IHM SENIOR LIVING HOLDS OPEN HOUSE FOR THE PUBLIC TO SHOWCASE ITS SENIOR LIVING COMMUNITY

Monroe, Mich. (June 5, 2024) – For the first time, IHM Senior Living Community is holding an open house to showcase its senior living community which includes assisted living, independent living, memory care, skilled nursing and short term rehab. The event will be held June 24 from 3 – 5 p.m. on the IHM campus.

“We joke around here that we are Monroe’s best kept secret,” said Chris Horney, Director of IHM Senior Living Community. “And now it’s a great time to open our doors and let the larger community see what we’re all about, especially in assisted living, and why we think Monroe-area seniors might enjoy living here.”

IHM Senior Living Community has assisted living apartments where residents can enjoy meaningful connections with a full calendar of activities and outings in a caring, faith-based setting. The community enjoys a full slate of pastoral care services and support including Catholic Mass, onsite pastoral care staff providing guidance and spiritual counseling, support groups and quiet space for prayer and meditation. The 108-acre campus provides attractive views and walking paths leading to native vegetation and wildlife; a spring-fed pond; an organic community garden; and a contemplative labyrinth.

The Open House on June 24 will feature live music and refreshments. To RSVP, call 734-240-8230 or go online to ihmslc.org/event. The address is 620 W. Elm Ave., Monroe.

Saint Therese acquired IHM SLC in 2023 in a transfer of ownership agreement with the IHM Sisters.

###

About Saint Therese: IHM Senior Community is owned by Minnesota-based Saint Therese, which was founded in 1964 and prides itself on its rich tradition of providing exceptional care for seniors. It has Minnesota locations and services in New Hope, Brooklyn Park, Woodbury, a new location in Corcoran (opening in 2024), IHM Senior Living Community in Monroe, Mich and Ascend Rehabilitation (rehabilitation therapy, health and wellness division). Most communities provide the full continuum of care from independent living, assisted living, memory care, skilled nursing and transitional care. It is a nonprofit, 501(c)(3) senior care organization.
